## Who is Fort Wayne United FC?

The Fort Wayne United FC is the premier soccer program in Northeastern Indiana. It was established in 2013 by merging two of the top travel soccer organizations in the area. The Fort Wayne Fever Academy and Citadel Futbol Club. After recognizing that soccer in the Fort Wayne area was growing rapidly and the high level of talent that was present, a multi-tier developmental soccer system that benefits every level for competition was created to offer local and regional soccer players the very best in soccer

development. Aided by soccer professionals in our organization, our objective is to provide every player the greatest opportunity to develop their soccer skills in addition to important life skills such as discipline, sportsmanship and teamwork. This task is accomplished by hiring the most experienced and qualified coaches who have a passion for the game and the desire and enthusiasm to educate young players to reach their potential. Fort Wayne United FC has earned a reputation as one of the primary youth soccer forces in the Midwest Region, winning multiple state titles and tournament championships.
